

Gun
Barrel Pilings®

These are Gun Barrel Pilings®

Uniform

from one end to the other

Uniform Measurements
Uniform Installation
Uniform Beauty

The no-taper Gun Barrel Pilings® from American Pole and Timber *look amazing in zoos* because they have the clean, uniform lines of square pilings with the natural “tree-like” appearance of round poles.

Available Exclusively from American Pole & Timber

Available up to 52' long
and up to 20" diameter.
