

Structural Timber Products for Zoos

Long-lasting custom timber components for zoo structures and exhibits

American Pole and Timber maintains the largest selection of structural timber products and if we don't have what you need, we will make it.

Over-Sized Wood Products

We supply poles, pilings, timbers, and lumber of almost any size. If you are wondering if something is possible, call us.

Custom Products & Solutions

We manufacture custom structural timber components including massive -- and beautiful -- timber trusses, corbels and rafter tails, Gun Barrel Pilings®, timber and steel entrance gates, solid wood columns, and much more. If you can imagine it being made of wood, we can make it.
